## Message From a Mom

My name is Christina. Everyone who comes here has a different story. Most girls that come here come from broken homes. But for me, not so much. I was raised in a Christian home all my life. My life was pretty normal until I started college, and my mental health went downhill. Because of multiple different things that happened since then, my parents didn't feel they are able to support me the best because of our big family. Being at Ramoth House I gets lots of encouragement from staff when making decisions. I am due to have my baby August 21st and really appreciate the encouragement from the staff and help with my mental health to be the best mom I can be. I never thought I would be in a position to have to be here but I am and that's okay. This is what God wanted to get me back to be myself, stable and independent. Thanks for your prayer and support.

Christina

## Dream with us as we empower our young mothers to embrace a better future...

Many of our moms struggle with mental health issues, and having access to reliable child care and transportation often prevents them from utilizing these services. These two simple issues present almost impossible barriers for them to overcome.

But overcoming barriers is what we do at Ramoth. By completing some renovations, we can create space for qualified counsellors and child care providers to come to us. We already have a space that is being used to provide programs and support

for Step 2 clients, but it really needs some work to make it a suitable counselling and child care space.

Together, we can empower these brave, young women as they discover their parenting potential and end the cycle of hurt.

Will you consider contributing your time, building talents, donating materials needed, or giving financially? If you are willing to help make this dream a reality, we invite you to contact **Brenda** at **519-323-3751** or **email office@ramoth.ca**

## Needs

At this time our biggest needs are beef and pork. If you can help with these items please contact **Shirley** at **sboonstra@ramoth.ca**

## Thank You

For your many blessings and support, we thank you. Without our Ramoth family, our seven moms within our Program of Care would not have an opportunity to grow in their parenting potential.
